Residual sugar: <0.5 g/L

Allergy advice: Contains sulfites

Stored under the right conditions, the wine will hold its potential for the next: 5 years

AVAILABLE FORMATS

75 cl

TASTING NOTES

Ruby-colored with purple highlights. Seductive, elegant, and deliciously fruity (raspberry jam) with a note reminiscent of pomegranate. Silky and light on the palate, supple, with tannins that are soft and aromatic in texture, framed by fine fruit acidity.

SERVING SUGGESTIONS

A versatile wine that pairs perfectly with all kinds of appetizers and main courses. It goes particularly well with light dishes, charcuterie, tuna, carpaccio, and tapas, as well as pasta and risotto. Serve at 14–16°C.

LEGACY

Centuries of winegrowing coexist with the chance to learn, day after day. The vineyards in the heart of Penedès are a place to discover deeply rooted varieties. Amid farmhouses, castles, and ancestral homes, lies a land marked by countless cultures, where we repeat a yearly pact both ancient and new: a dialogue with the nature around us. The spirit of Vinyarets, the magic of our origins.

TERROIR

Soil

Our Vinyarets wine is made from grapes grown in different areas with calcareous clay soils in the Penedès region.

Weather conditions

2019 was a dry year in the Penedès region, and the bulk of rainfall was concentrated over two notable periods: one in May, the other at the end of the year. In terms of temperature, the year was fairly normal, although the summer was hotter and saw a notable heat wave in late June.

Precipitation

Annual average (historical): 569.1 mm

Annual total (current vintage): 399.4 mm

Temperature

Annual average (historical): 14.7°C

Annual average (current vintage): 15.1°C
